The members of the Burwell Cattlemen, whose membership includes residents of your high school's area, will be awarding monetary scholarships (of at least \$1000) to first year students enrolled in a post-secondary school for the 2026-2027 school year. We would appreciate you sharing this scholarship information with your students and encourage them to apply. The deadline for application is March 31, 2026. Completed applications MUST be postmarked or hand delivered by the deadline to be considered.

Applicants should submit a cover letter that includes their past accomplishments, educational plans and goals related to the future of agriculture, as well as a personal resume. Please also include 2 letters of recommendation.

Preference will be given, but not limited, to applicants whose parents are members of the Burwell Cattlemen and are residents in the district, as well as those students who plan to pursue a field of study related to agriculture.

Again, the deadline for this scholarship is March 31, 2026.
