

2026 Retail Value Steer Challenge

The Nebraska Cattlemen Foundation's Retail Value Steer Challenge (RVSC) is the primary fund raiser for the Nebraska Cattlemen Foundation (NCF). By participating in the RVSC you join other Nebraska cattle producers to raise money that will support NCF projects. Funds from this event raise money to support:

- Youth and Adult Leadership Programs
- NCF Education Programs - Scholarships
- NCF Research Programs and Infrastructure Projects
- History Preservation
- Judging Teams at Northeast Community College, Norfolk
- Judging Teams at Nebraska College of Technical Agriculture, Curtis
- Judging Teams at University of Nebraska, Lincoln

Your support helps to fund these programs through the proceeds raised from the RVSC. You also receive complete carcass data on your steer or steers and the chance to win prize money. And, you are helping the state's leading industry sponsor programs that benefit our industry.
